**Hearing Loss Association of America –  
Twin Cities Chapter**

Co Presidents Shannon & Hunter Vice President Judi Swan

The 2011 - 2012 year for HLA Twin Cities Chapter is starting off to be a very busy one! September 17 will be the first meeting with our new officers and Vice-President Judi will be speaking on Advocacy. As always, the meeting will be held at the Courage Center in Golden Valley. Social time begins at 9:30 with the meeting starting at 10:00.

HLAAers interested in cochlear implants will want to attend the Cochlear Implant picnic on Sunday, September 18 in Golden Valley. This is an opportunity to talk with many individuals with a cochlear implant and their families. It is a great opportunity to see how both long and short term implantees with different brands of CIs are doing and get input on this important decision making process.

Next, October 1 is the long anticipated Walk for Hearing at Lake Calhoun. See information on following pages for details on this big event. Also on October 1 at 10 am, Marlee Matlin will appear at the Mall of America on the Best Buy Stage for Communication Service for the Deaf's Grow campaign, which aims to raise funds and increase awareness of their programs and services for deaf and hard of hearing individuals.

October 8 is the Family and Community Workshop in St. Cloud presented by Cochlear Americas and the St. Cloud HLA chapter.

October 15 is our regular meeting with Dave Vlastuin presenting on Bluetooth technology. Cochlear Americas also plans a Hearing Health Seminar at the Marriott Minneapolis Airport hotel on this date.

Mark your calendars for an exciting autumn!

## **Kick Off Meeting** held August 14, 2011

Thanks to Carole Blowers for taking notes at this meeting, and CART/Lisa Richardson which was held at the Old Spaghetti Factory in downtown Minneapolis. There were 34 people some included Rich, Bruce, Jerri, Linda, Carole, Vicki, Dennis, Yvain, Larry, Jane, Deborah, Lisa, Kaylee, Jan, Bob, Merrilee, Holly, Shannon, Hunter, Cathy, Mona, Candace, and many more.

The Walks started in 2006. There are 23 being held across the US. There will be 8,000 walkers across the country.

**Speakers:** **Larry Miller** has worked for Starkey for 24 yrs. At one time before his current job, he met the granddaughter of Alexander Graham Bell (the founder of the telephone) which was originally intended to be a hearing aid for his wife who was profoundly deaf. He sounded very energetic and wanted to make this a great walk with many more people than we had originally planned for. Go Larry Go !!!!

**Vicki Martin** grew up in a hearing loss family and her own children have hearing loss. Vicki attended main stream schools and studied music in college, worked as a systems analyst before retiring two years ago. She spoke of how HLAA had opened up areas she had never thought about, because hearing loss in her family was "just the way it was."

**Jane Trusty** worked at the Mayo Clinic in the cardiovascular division for 36 years. She is now retired. She uses a Hearing Aid and has a Cochlear Implant. When she was no longer able to use a stethoscope in her job as a nurse, she transferred to the pacemaker clinic. She suffers from tinnitus 24 hours a day. She has been the subject of much research as her CI experience was quite different.

A wonderful meal was served by the Old Spaghetti Factory staff including salad, bread, and choice of pasta (lasagna, alfredo, or chicken marsala, beverage, ice cream for dessert).

Posters, flyers, and folders with Walk 4 Hearing info were provided to everyone when they checked in.

Speakers included Larry Miller from Starkey, Vicki Martin from HLAA TC and Rebecca Lander and Ronnie Adler from HLAA National.

National sponsors for the Walk4Hearing are: AARP, T-Mobile, Advanced Bionics, Audiotoniq, Beltone, Cochlear, CapTel, Caption Call, and Phonak. **Local Minneapolis sponsors are: Starkey, Williams Sound, Sonus Hearing Care Professionals, Mains'l Services, Paradigm Reporting and Captioning, HealthPartners Department of Audiology**

Thank you to all our sponsors!

**About Our Walk.....October 1, 2011**

**CART (Paradigm)** is available for those that have a Smartphone and hook up abilities. Dogs are allowed but must be leashed and you must pick up after your doggies spills, thank you. There is limited free street parking available. There will be refreshments along the way.

**Helpers:** Come early stay late, or one of them. Set up begins at 7AM (good time to find good parking). Tables will need to be manned, signs made and held, information people stationed.

The actual walk is 3.1 miles long. There is NO requirement that you must finish the Walk. Many of us (myself included) will only walk about a block and turn around and walk back to the start and work a table. If you are disabled in any way, yet want to show your gusto for the cause, this might be a good way to do it. This is what Mona and Merrilee are going to do. If you do not care to walk, but can help at a table, sign up at the September 17th meeting or let the officers know. Tables needing helpers are the HLAA TC/St Cloud table, refreshments, sign-in, T-shirt table, set up and unloading.

(Continued on next page)

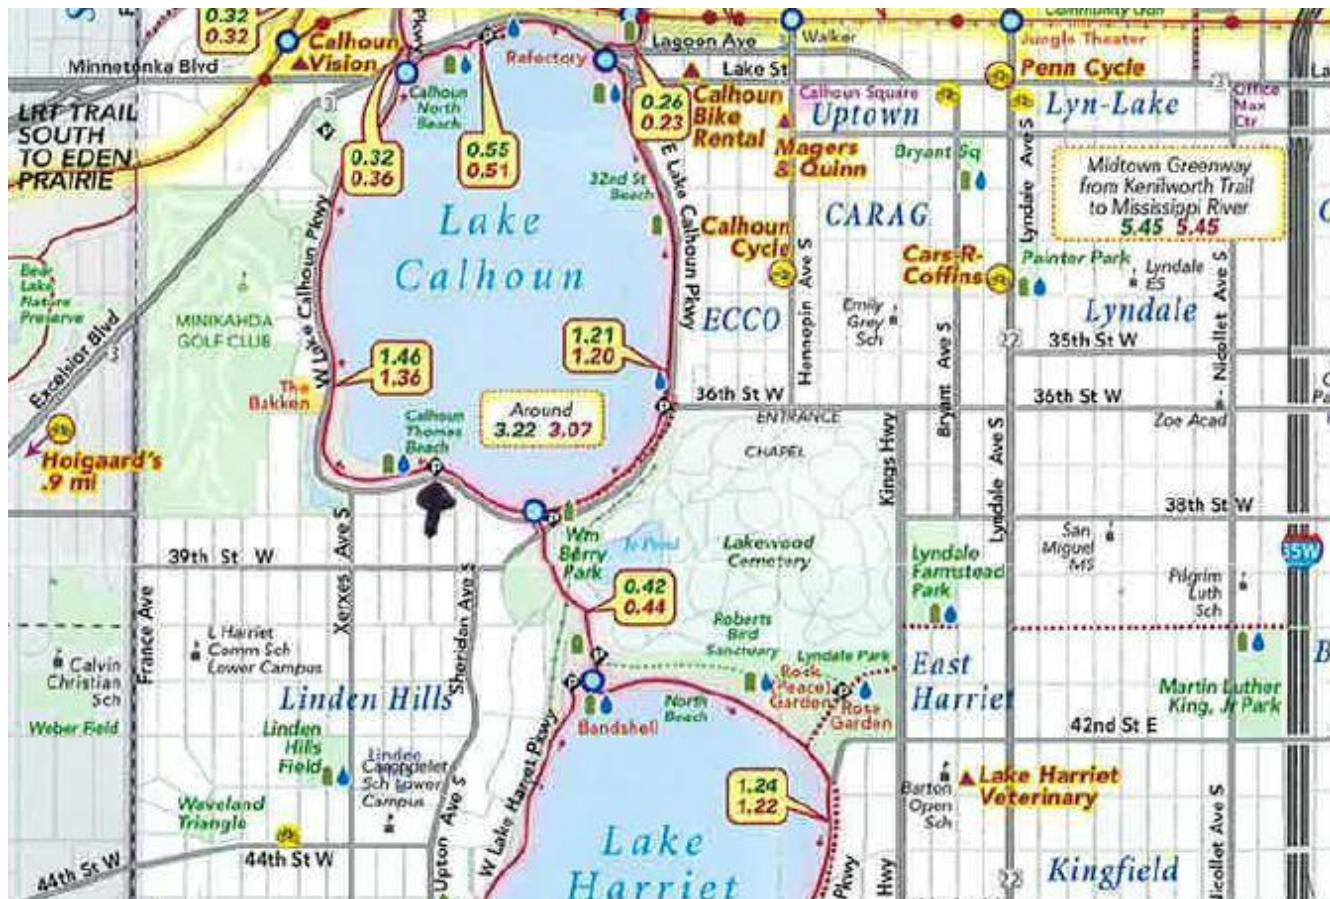

Any person who has raised \$100 or more will get a ticket to get a T-shirt. Sorry, but this does not mean if you raised \$1,500 you get 15 shirts.

**Location:** Lake Calhoun - 3000 E Calhoun Pkwy, Minneapolis, MN 55408. The check-in/registration and starting point will be at Thomas Beach. See map with arrow indicating Thomas Beach. Lake Calhoun is on the bus route. For more info see Metro Transit: [www.metrotransit.org](http://www.metrotransit.org)

**Registration:** Begins at 9 AM, the walk starts at 10 AM.

**Pledges and money:** Please make the check payable to **Walk4Hearing**. Checks and pledge sheet will be collected on the day of the Walk.

**More information:** [rlander@hearingloss.org](mailto:rlander@hearingloss.org) (Rebecca Lander – HLAA National), [rknoll5200@aol.com](mailto:rknoll5200@aol.com) (Bob Knoll), [CAROLEJDOLL@aol.com](mailto:CAROLEJDOLL@aol.com) (Carole Blowers). More information: [www.walk4hearing.org](http://www.walk4hearing.org), see map of US, click this map, go to MN, click MN, this gets you the information for the MN Walk.

Past HLAA Twin Cities President **Dave Miller** of New Prague received a cochlear implant this summer. Follow Dave's journey back to hearing on Facebook. Dave writes: It is truly amazing how well this prosthesis / bionic ear is working. I am continually hearing new sounds I haven't heard in over 25+ years. Examples: Outside in the driveway...hearing (daughter) Miriam from the second story window telling me she loves me! On the cell phone, in the car...hearing my wife on the phone! Around the campfire...hearing my friend's voice over the crackle of the fire and the symphony of crickets! AWESOME, Dave!
